Dear Sir/Madam:

I am writing to formally request an extension of our variance (number 91V-0486), for the purpose of producing and presenting laser light shows at the Taylor Planetarium here at the Museum of the Rockies.

I recently submitted all outstanding annual reports to Susan Jensen at CDRH, thus I hope you will receive confirmation of their arrival and approval very soon.

If you should have any questions, please contact me at (406) 994-6891.

Sincerely,
